

6th Grade Electives

Now that you have reached sixth grade, we're presenting you with options. This decision is ultimately your parents. Here are your choices;

If you choose this option you will be able to participate in Grand Prix, Fun Fair, Awana Games, Parties, etc. You will also spend time memorizing God's word.

If you choose this option you will be meeting in the youth room. You will be able to participate in all the special events that Escape offers. We have Bible Study, Youth Group Games, Worship, etc.

Whatever option you pick you will be committed to that ministry for the whole year. You can't jump back and forth. We are excited to make these options available to you. If you have any questions please contact us.
